Hi John

It has really been fun knowing you this year in all of our classes together. We have had all except one class together this years. We have had a lot of fun in all our classes this year even if we had to work hard. I sure hope I see a lot of you in the summer and take it easy on all the girls. Robert, you and I will have to get together in the summer and get some ~~[illegible]~~ (my mistake) dates and have a lot of fun. You won't be able to read this so I will say So Long and we will see you in a few days.

HIGH SCHOOL
1918

I Have Seen A Thousand Faces

I have seen a thousand faces old and young;
More eloquent than words, each speak to me;
Not on their lips, but in their eyes, is sung
The sorrow and the song of life's brief melody.

I have seen the face of wonder, rapt and still,
A brief and yielding sculpture, molded by surprise.

I have seen the face of innocence touched only
By the wisdom of the wind, the blessing of the sun.

I have seen the tousled face of laughter, unconfined
By sly restraints that bind an elder world to a smile.

I have seen the breathless face of youth, set free
To conquer pathways trod a thousand times before.

I have seen the face of courage, eyes upraised
To meet the future challenge and the present need.

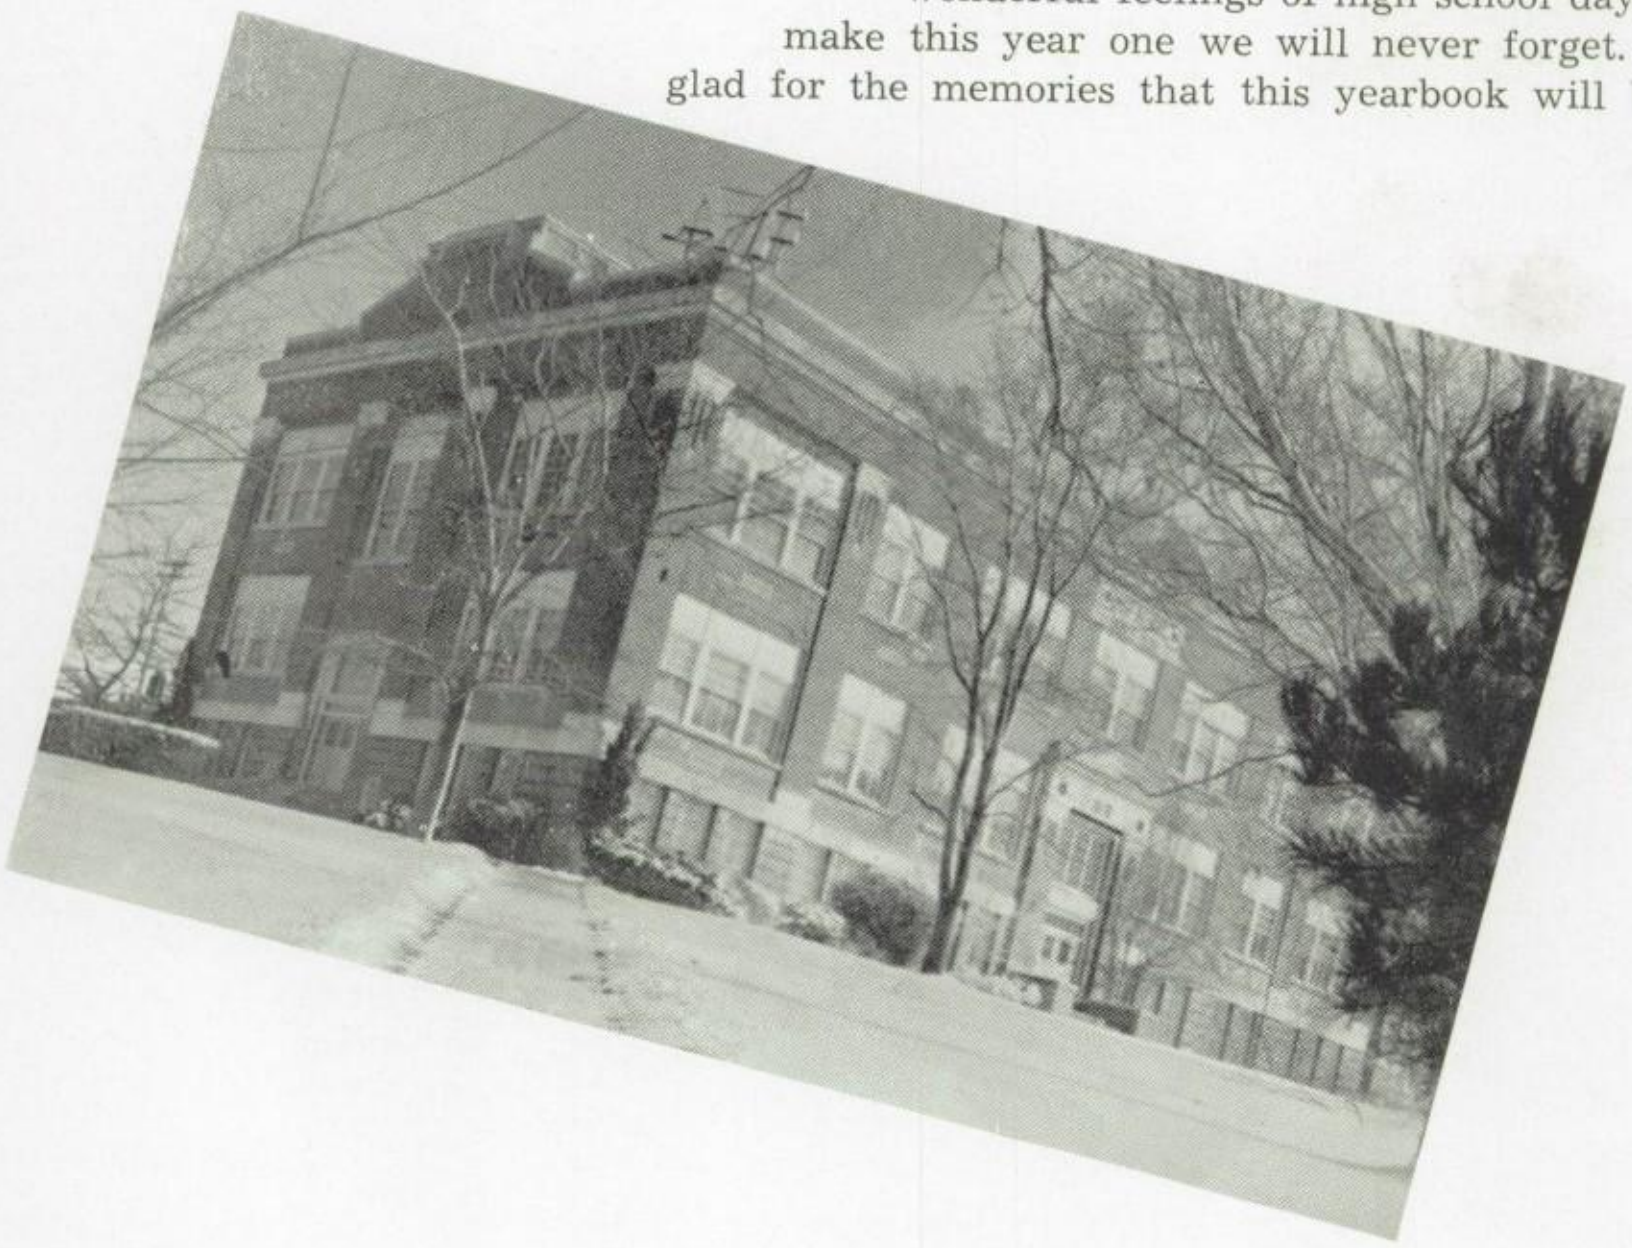
And I have seen the faces of wisdom, calm and stern,
Where sadness dwells in quiet company with age.

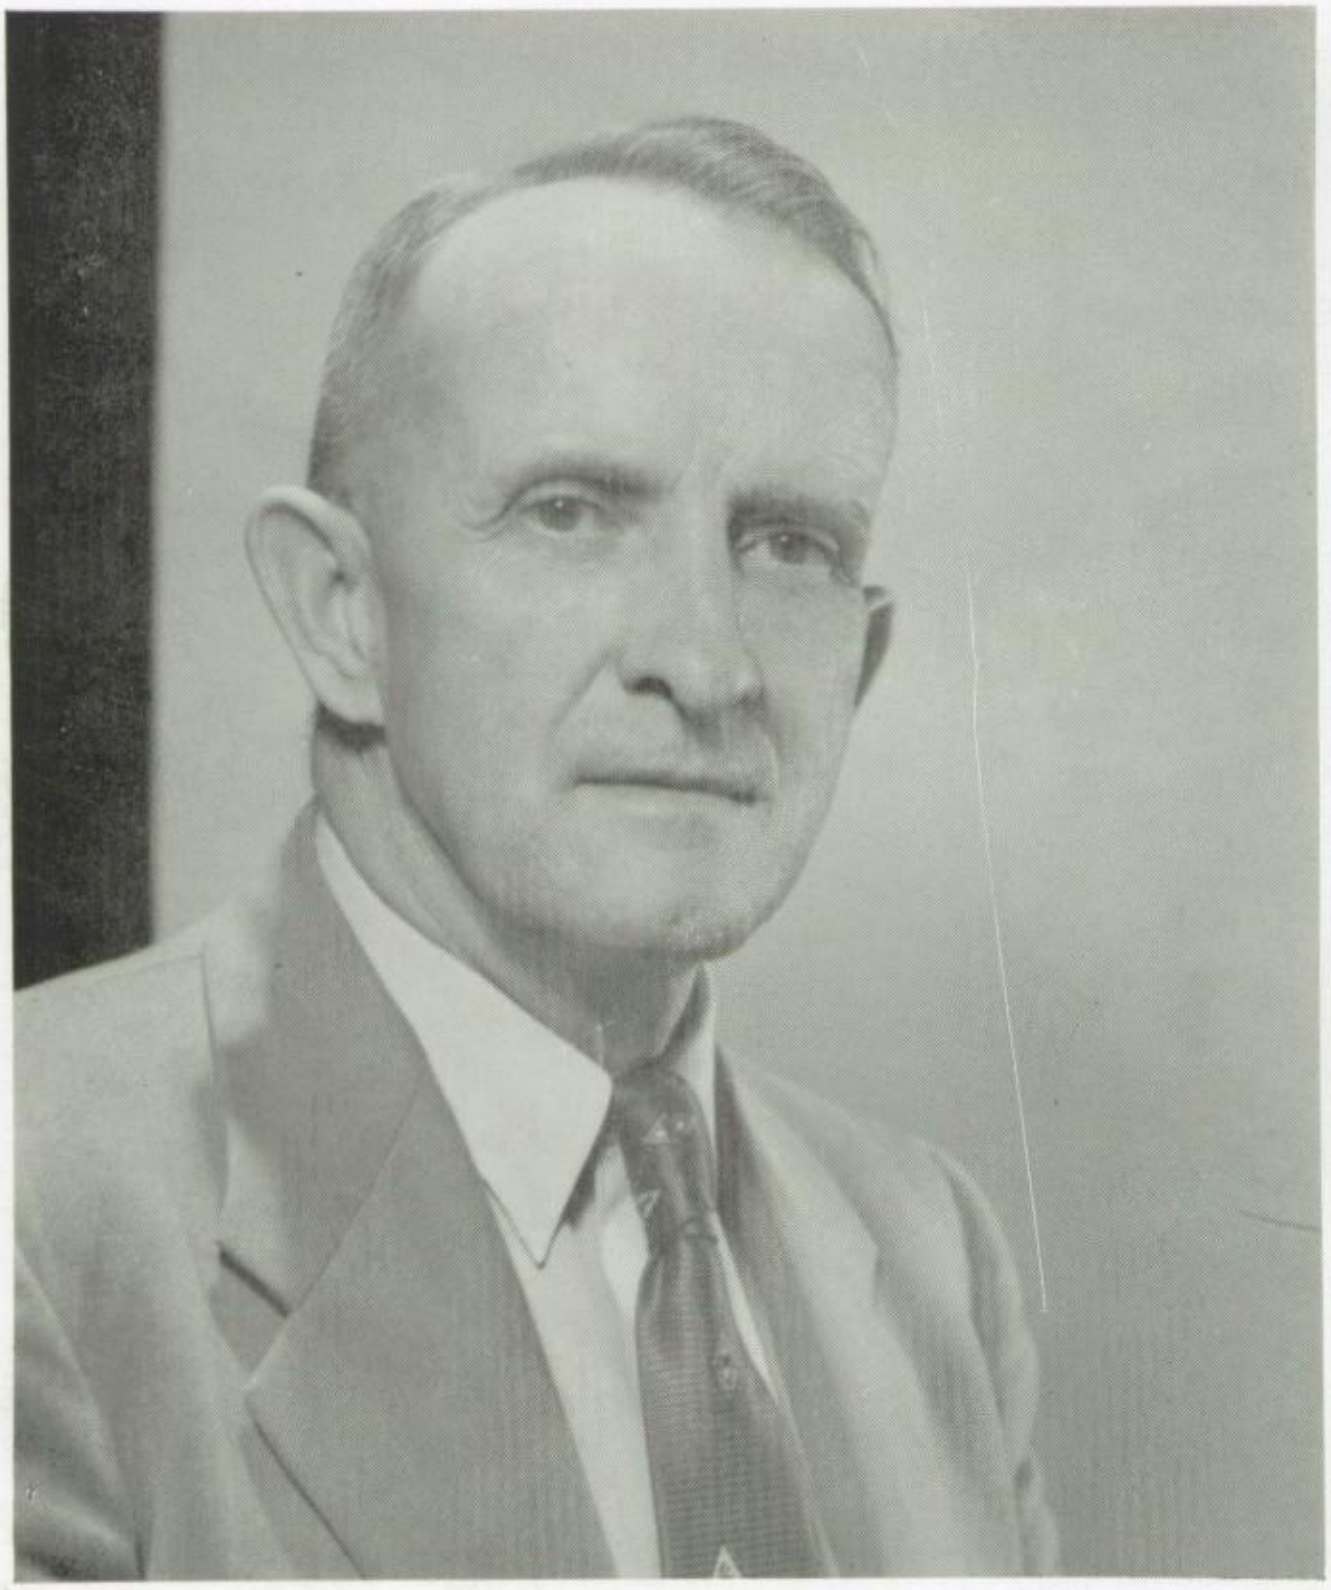
I have seen a thousand faces, all the rest
Are lost, like blades of grass that crowd upon a sod;
And, of a thousand passed, these I remember best—
The quiet faces, brushed by the waiting hands of God.

—J. P. Folinsbee

This is our high school

The activities, classes, and friends we have shared, combined with those wonderful feelings of high school days, helped make this year one we will never forget. We are glad for the memories that this yearbook will bring us.





PRINCIPAL CHARLES B. WALKER

To the head of our school we express appreciation for his efforts in guiding us through the year now passed. Friendliness and consideration were always manifested toward us and our problems.

Sports

A flashback of the history of games, football heroes, and track stars which will not be forgotten.

Football

Congratulations to the gridiron Cavemen! They've truly represented A. F. High School well. Defeated only by the state champs, they were beaten by none in sportsmanship and ability. It took a lot of hard work and training, but it was worth it. They played through rain, sleet, and snow, which discouraged most fans, but not them. They finished it up right every time.

Thanks, Cavemen, we're very proud of you.

In Memoriam

GARY STEUERWALD

Dear friend, we find the passing of the days
has brought to us a parting of the ways.
We cannot see you now, as we did then
or know the brightness of your smile time and again.
The touch of clear reality is lost
And so do we begin to count the cost.
And yet, with all the sadness that a parting brings,
There is a note, clear as a bell it rings.
A mellowness and richness that extends
through all the years that come, as life depends.
To know you was to love your spirit true,
to have you for a friend, more than our due.
I think we shall defy the passing days
to dim or make less real your charming ways.
We'll keep alive the friendship that we've known,
and bless you ever for the good you've shown.

Hi John
Well I guess we
have finally came
to an end. As far as
that goes school is not the
the only thing that is over.
Johnny I have really really
enjoyed your friendship this year.
Your one real cute kid with a
personality thats matchless. I guess you
allready know that cause enough kids have
told you. I sure hope I see you just loads this
summer. If nothing else we will meet in
band. Gosh I bet that will be fun
marching. Although it will be hot. I guess
all the fun I've had with you will
never be forgotten. Especially the party
in Strattons and the fun we had
stealing candy cotton. Boy were them
kids mad. Maybe you don't want me
to write a whole page but I do lots of
things I'm not suppose to. We'll really
have to take this school by storm
next year. Well heres wishing
you loads of luck.

A real good
friend
always
(Gerry)

Hi Johnny,

Gad's, hasn't it been a ball this year. I think it's been my funniest year so far. Oh! Herb, I think he's about had it. That's sure been a fun class. I can't wait for tenth grade. Just think big old senior highers. I think it will really be a riot and a half. Let's really have a fun grade. Gee's I can't wait for summer to come. All us kids are really going to throw some big parties. I'll have to come and help make it funnier. Barrie has a cabin in the canyons and he's going to have a whole slug of them. Johnny, you're really a swell kid. I think you're really goodlooking and have a sharp personality. You have a real slick sense of humor, and you just oodle's of fun. Gad's you have so many clothes you about make me sick, and there all cutter than heck. Keep up the good work and you'll be a big success in everything you do. Be nice to all the girls Kid. I mean that.

A Friend Always Judy Davis

Howdy Johnny,

How is my little buddy today the last day of school? Fine I hope. This year has been an outstanding one for me and friends like you have helped make it that way.

Just think we are about out of school and this summer we will have a ball. We will dig all over and really have fun.

Howdy Jonathan,

How's the bestest Waltzing partner I've got? Wasn't that thrilling though, sheek? We've really had fun this year doing that gleaming dance haven't we? Well, this year has had it, so I guess I'd better start finishing so Sherry can have her pen.

You're really loads of fun & I hope you have fun this summer. Lots of luck to a good kid.

Dear John,
I have sure enjoyed your friendship this year. I guess I'll be seeing you next year in BAND.
Good luck to a swell kid
a friend, (?)
Sherry Schlegel

Dear Johnny,
Boy, this year went fast didn't it? I kinda feel bad that it's almost ended but in a way I'm glad that I don't have to go thru the first year again. You've been a swell friend and we've had lots of laughs (in Band anyway!)

A poem for you:
Of all the girls

Boy, what a swimmer
you would be!

Hi ya John!
How's the goofy
kid that sits by
me in Typi? You sure
gave me plenty of trouble
this year and it will be a wonder
if Mr. Wadley doesn't fail us
both this term but anyway,
we had a lot of fun.
Here's wishing you all the luck,
success, and happiness this summer
and next year as a "Sophie".
P.S.
